As a motor carrier, knowing what steps to take to obtain a sound insurance program that is a valuable asset for your operation is critical. Truckload Academy, in partnership with the Motor Carrier Insurance Education Foundation (MCIEF), is proud to offer The Motor Carrier Insurance Risk Management Certification Program.

Gain in-depth training that empowers you to make more informed insurance purchasing decisions for your company while furthering your career development.

Available in both online and mobile-friendly formats, this training includes the following sessions:

- Session 1:** Why Insurance?
- Session 2:** Obtaining Insurance
- Session 3:** Coverage Considerations
- Session 4:** Becoming a Better Insured

Earning your Motor Carrier Risk Specialist designation is as easy as 1, 2, 3

1. Purchase access
2. Complete the modules
3. Pass the exam

Providing the Resources You Need to Lead the Industry
